Description

These layered Halloween jello shots look like candy corn and make a fun boozy treat for adults This version goes for a triple shot so drink responsibly Serve with candy corn on the side Cheers

Ingredients

- - ¾ cup boiling water - 1 (3 ounce) package lemon-flavored gelatin mix (such as Jell-O) - 1 cup vodka - 3 ice cubes
- or as needed - ¾ cup boiling water - 1 (3 ounce) package orange-flavored gelatin mix (such as Jell-O) - 3 ice cubes
- or as needed - 1 cup vodka - 2 tablespoons hot water - 1 (.25 ounce) envelope unflavored gelatin - 1 (14 ounce) can sweetened condensed milk - ½ cup light rum

Instructions

1. To make the yellow layer: Pour boiling water into a small bowl. Add lemon gelatin mix and stir until dissolved. Pour vodka into a 2-cup liquid measure; add enough ice to make 1 1/4 cups. Pour into lemon gelatin mixture and stir until slightly thickened; remove any unmelted ice. Pour mixture into 16 tall shot glasses
2. filling each 1/3 full. Refrigerate until lemon gelatin is set
3. at least 1 1/2 hours. When lemon gelatin is set
4. make the orange layer: Pour boiling water into a small bowl. Add orange gelatin mix and stir until dissolved. Pour vodka into a 2-cup liquid measure; add enough ice to make 1 1/4 cups. Pour into orange gelatin mixture and stir until slightly thickened; remove any unmelted ice. Pour into shot glasses over lemon gelatin. Refrigerate until orange gelatin is set
5. at least 1 1/2 hours. When orange gelatin is set
6. make the white layer: Stir hot water and unflavored gelatin together in a bowl until gelatin is dissolved. Stir in condensed milk and rum. Pour into shot glasses over orange gelatin. Refrigerate until set
7. at least 30 minutes. Leslie Kelly Recipe Tip Tall shot glasses are available at specialty stores or online.
