Description

This instant pudding with almond milk has the perfect taste and consistency It takes just slightly more mixing than normal

Ingredients

- - 2 cups almond milk
- divided - 1 (3.5 ounce) package instant vanilla pudding mix - 2 teaspoons cornstarch

Instructions

1. Pour 1 cup almond milk into a small saucepan. Add cornstarch and heat over medium heat. Cook
2. stirring constantly
3. until bubbly
4. 3 to 5 minutes. Remove from heat; keep stirring for 30 seconds. Pour remaining almond milk into a bowl; add pudding mix. Mix with an electric mixer on low speed until very thick
5. about 1 minute. Add cornstarch mixture to pudding mixture; mix at low speed for 1 minute more. Transfer pudding to 4 individual serving bowls. Cover and refrigerate if desired.
