Description

This strawberry mojito recipe makes a very refreshing drink for a hot summer day I tasted this fruity cocktail at a popular chain restaurant and decided to try it at home I have served it at several different gatherings and it has always been given rave reviews

Ingredients

- - white sugar
- for rimming - 2 large limes
- quartered - ½ bunch mint leaves - 7 strawberries
- quartered - 1 cup white sugar - 2 cups club soda - 1 cup white rum - 8 cups ice cubes

Instructions

1. Pour about 1/2 inch of sugar onto a small
2. shallow plate. Run a lime wedge around the rims of 8 cocktail glasses
3. then dip the rims into sugar to coat; set aside. Squeeze all of the lime wedges into a sturdy glass pitcher. Toss juiced limes into the pitcher along with mint
4. strawberries
5. and 1 cup sugar. Crush with a muddler to release strawberry juice and mint oil. Stir in club soda and rum until sugar has dissolved. Pour into the prepared glasses over ice cubes to serve.
