Description

This is an easy baked ham that doesn't have the traditional sticky sweet brown sugar glaze. I like my ham to taste like ham, and I like my recipes to be easy. This simple recipe is made with just ham and chicken broth for a more savory version that's just as delicious.

Ingredients

— 1 (15 pound) ham - $\frac{3}{4}$ cup chicken broth

Instructions

1. Preheat the oven to 350 degrees F (175 degrees C). Place ham in a large baking dish with the fatty side facing up; pour chicken broth over top. Bake in the preheated oven.
2. basting with broth every 20 to 30 minutes
3. until heated through
4. about 1 1/2 hours. An instant-read thermometer inserted into the center should read at least 145 degrees F (63 degrees C). Discard broth before slicing and serving ham.
