Description

This is a great macaroni salad with cavatappi pasta I started making a few years back and is now requested at every event I attend So simple yet delicious

Ingredients

- - 1 (16 ounce) package cavatappi pasta - 2 cups mayonnaise - 2 (11 ounce) cans albacore tuna
- drained - 1 (6 ounce) can sliced black olives - 4 stalks celery
- chopped - ½ medium white onion
- chopped - kosher salt and ground black pepper to taste

Instructions

1. Bring a large pot of lightly salted water to a boil. Add cavatappi and cook
2. stirring occasionally
3. until tender yet firm to the bite
4. 9 to 10 minutes. Drain and run under cold water until no longer hot. Drain again and transfer to a big bowl.
Add mayonnaise
5. tuna
6. olives
7. celery
8. onion
9. salt
10. and pepper to the pasta; toss until fully combined. Serve immediately or chill in the refrigerator until ready to serve. Cook's Note: If you do chill this before serving
11. you may need to add a little more mayonnaise because it absorbs it as it chills.
