Description

I've used this recipe for many years varying the fruits that I include I often add apples bananas and/or blueberries. Though there are specific measurements in the recipe there is no need to carefully measure each ingredient just approximate the quantities of your favorite fruits to have a beautiful and delicious salad. I have frequently served this Christmas morning.

Ingredients

— - 2 cups green grapes - 2 cups sliced strawberries - 2 cups sliced peaches - 2 cups orange segments - 1 cup peeled sliced kiwi - ½ cup orange juice - ½ cup orange-flavored liqueur (such as Cointreau®) - 2 tablespoons white sugar

Instructions

1. Mix grapes
2. strawberries
3. peaches
4. orange segments
5. and kiwi in a large bowl. Whisk orange juice
6. orange-flavored liqueur
7. and sugar together in a bowl until sugar dissolves; gently stir into fruit until evenly coated. Cover bowl with plastic wrap and refrigerate up to 8 hours. Cook's Note: The number of servings is approximate. I have served this Christmas morning as well as at Easter as an accompaniment for baked ham. It is beautiful in a trifle bowl on any buffet table.
