### Description

Dont wait until the last minute to make this recipe Each layer has to set before the next one is added

### Ingredients

- - 7 (3 ounce) packages assorted fruit flavored Jell-O® mix - 4 ½ cups boiling water
- divided - 4 ½ cups cold water
- divided - 1 (12 fluid ounce) can evaporated milk
- divided - 1 (8 ounce) container frozen whipped topping
- thawed

### Instructions

1. Coat a 9x13 inch dish with cooking spray. Dissolve one package of gelatin in ¾ cup boiling water. Stir in ¾ cup cold water. Spoon into pan and refrigerate until almost set
2. 45 minutes. Dissolve another package of gelatin in ½ cup boiling water. Stir in ½ cup cold water and ½ cup evaporated milk. Spoon over first layer and refrigerate until almost set
3. 45 minutes. Repeat steps 2 and 3 until all gelatin is used. Just before serving
4. top with whipped topping.
