Description

This homemade pineapple ice cream is reminiscent of the infamous Dole Whip at Disneyreg This version packs great pineapple flavor but it more smooth and creamy Make this a float by dishing the ice cream into a glass and pour pineapple juice over it and top with whipped cream This is a refreshing summer treat

Ingredients

— - 1 cup heavy whipping cream - 6 fluid ounces pineapple juice (such as Dole®) - ? cup white sugar - 1 teaspoon fresh lemon juice

Instructions

1. Whisk cream
2. pineapple juice
3. and sugar in a bowl until sugar is dissolved; stir in lemon juice. Refrigerate until well chilled
4. at least 6 hours. Transfer pineapple mixture to an ice cream maker and process according to manufacturer's instructions.
