Description

Step up your game when making a sandwich wrap Try something fun and new thats trending all over the internet Youll have a total of four fillings each in its own quarter and use a new tortilla folding technique This technique works great for breakfast dessert sandwiches pizza tacos etc Flavor combinations are endless

Ingredients

- - 1 (10 inch) flour tortilla - 2 teaspoons mayonnaise - $\frac{1}{4}$ cup shredded lettuce - 3 slices tomatoes (such as Campari(R)) - 2 slices deli ham - 1 slice Cheddar cheese - 2 slices cooked bacon
- cut in half - 2 slices deli turkey - 2 teaspoons salted butter

Instructions

1. Place tortilla on a cutting board. Starting at the center of the tortilla
2. cut a straight line all the way down to the edge with a knife. Think of the tortilla as having a total of 4 filling locations
3. each in its own quarter
4. like a clock. To assemble
5. place the ingredients on the tortilla as follows: spread the mayonnaise on the lower left quarter
6. and top with lettuce and tomatoes. Place ham in the upper left quarter. Layer Cheddar cheese and bacon in the top right corner. Place the turkey in the lower right corner. Start at the lower left quarter that borders the cut in the tortilla
7. and fold that filled quarter up and over the top left quarter. Next
8. fold that same section over the top right corner. Finally
9. fold that down and over the lower right quarter
10. ending with a 4-layer triangle. (You'll find a photo on this recipe giving you a visual on how to do the folding.) Melt butter in a small skillet over medium-low heat. Place the folded tortilla triangle into the skillet
11. press down slightly
12. and cook until it starts to brown
13. 2 to 3 minutes. Flip the tortilla and repeat. Remove from the skillet
14. cut in half
15. and serve. Cook's Note: Do not overfill your tortilla because you'll have difficulty folding it and your fillings will fall out.
