Description

This is a family recipe passed along by my late cousin David It is so simplejust four ingredients thrown in the slow cooker Not only is it great to come home to a hot delicious meal your home will smell wonderful too The brisket is great with the extra gravy spooned over egg noodles or mashed potatoes

Ingredients

— - 1 (3 pound) beef brisket - 2 (12 ounce) bottles chili sauce - 1 (1 ounce) envelope dry onion soup mix - 2 teaspoons garlic powder

Instructions

1. Place beef brisket in a slow cooker. Whisk chili sauce
2. onion soup mix
3. and garlic powder together in a medium bowl; pour over brisket. Cover slow cooker. Cook on Low for 8 to 10 hours. Slice brisket against the grain; pour gravy over slices.
