Description

If you like dirty martinis but dont want to take the time to prepare one fresh just make a big batch ahead of time and keep in the freezer

Ingredients

— - 1 liter vodka - 4 fluid ounces vermouth - 2 fluid ounces olive brine - 2 fluid ounces water - olives for garnish

Instructions

1. Pour 6 ounces of vodka from the bottle and set aside for another use. To the reserved vodka in the bottle
2. add vermouth
3. brine
4. and water. Put the top on the bottle and invert bottle to incorporate the ingredients. Place bottle in the freezer for at least 4 hours and up to 2 months. To serve
5. pour desired amount into chilled glass and garnish with olives.
