Servings

1 cup

Description

This creamy mascarpone frosting is incredibly versatile and can be used to decorate various desserts

Ingredients

- - 1 cup heavy whipping cream - ½ (8 ounce) container mascarpone cheese - 1 teaspoon vanilla extract
- or more to taste - 2 tablespoons white sugar

Instructions

1. Beat together cream
2. mascarpone
3. and vanilla in a large bowl with an electric mixer until smooth and creamy. Add sugar gradually
4. mixing continuously until frosting is smooth and stiff peaks form
5. about 5 minutes. Use immediately or store covered in the refrigerator.
