Description

A great summer dessert

Ingredients

- - 1 (6 ounce) package strawberry-flavored gelatin (such as Jell-O®) - 1 (6 ounce) package lemon-flavored gelatin (such as Jell-O®) - 3 cups boiling water - 3 cups cold water - 6 fresh strawberries
- sliced (Optional) - ½ cup miniature marshmallows (Optional)

Instructions

1. Mix strawberry-flavored gelatin and lemon-flavored gelatin together in a bowl; pour in the boiling water and stir until gelatin mixture is dissolved
2. at least 2 minutes. Pour the cold water into the mixture and stir until well combined. Pour gelatin mixture into a mold or leave in the bowl and refrigerate until partially set
3. about 1 1/2 hours. Mix strawberries and marshmallows into gelatin mixture. Continue chilling until completely set
4. about 2 1/2 hours more. Cook's Note: You can substitute the strawberries for other types of sliced fruit.
