Description

This versatile punch incorporates all your favorite fall flavors and is always a seasonal success. With sweet apple cider, effervescent ginger beer, and bubbly Prosecco, you'll be asking for seconds of more than just stuffing.

Ingredients

- 8 ounces Tito's Handmade Vodka - 1 (750 milliliter) bottle Prosecco - 1 gallon apple cider - 24 ounces ginger beer - 3 apples
- sliced - 2 oranges
- sliced into triangles - 8 cinnamon sticks - Cinnamon sugar
- for rimming glasses

Instructions

1. Add all ingredients to a large punch bowl. Give the punch a stir and serve with cinnamon sugar-rimmed glasses. Let your guests add their own ice
2. so the punch doesn't become watered down. Make Cranberry & Orange Infused Tito's Handmade Vodka if you have the time: You will need 750 ml Tito's Handmade Vodka
3. 1 cup frozen cranberries
4. and 2 whole orange peels. Be careful to avoid the white pith of the orange
5. as that can make your infusion bitter. Boil frozen cranberries for about 5 minutes
6. or until they pop
7. and let cool. Add Tito's Handmade Vodka
8. cranberries and orange peels to a sealed container. Let sit for 2 weeks before straining out fruit. Use instead of unflavored vodka in the punch.
