Description

Brain hemorrhage shots are fun to serve at Halloween parties. They look so disgusting and creepy you may have a hard time getting your guests to try one.

Ingredients

— - 1 fluid ounce chilled peach schnapps - 1 teaspoon chilled Irish cream liqueur (such as Bailey's) - 1 splash chilled grenadine syrup

Instructions

1. Pour Schnapps into a shot glass. Very gently pour Bailey's over top; let sit until it begins to clump and curdle. Gently pour in grenadine. Recipe Tip You can use strawberry Schnapps instead of peach.
